HSNO Classifications: (Approval No: HSR002526) Non Hazardous				Tracking Required: No	Approved Handler: N/A	IER Guide No: Not available	

EMERGENCY PROCEDURES

24 HOUR ADVICE IN AN EMERGENCY ONLY: 0800 243 622

IF THIS HAPPENS	DO THIS
Tanker/Vehicle Accident	Switch off engine and electrical equipment. Keep people away and warn other traffic. Check for spills and leaks. Call the emergency services: Dial 111
Spill or Leak	Wear overalls, chemical-resistant gloves and safety goggles. Prevent further spillage, and by any means prevent spillage from entering waterways. Contain spill and absorb with sand or other suitable material. Place spillage in a sealable container. Wash down affected area with large amounts of water. Dispose of spill container according to the regulations of the local authority.
Fire	Call the Fire Department: Dial 111. Product is not flammable. No risk of violent reaction or explosion. Fire-fighters should wear full protective clothing suitable for chemical hazards with self contained breathing apparatus. Cool sealed drums with water spray to prevent rupturing. Contain and collect run-off (see Spill or Leak section above). Keep non-involved persons away. Any residues may be washed away with large quantities of water with the consent of the environmental authority.

FIRST AID

If Swallowed:	Immediately give a glass of water. First aid is not generally required. If in doubt, contact a Poison Centre (0800 764766) or a doctor.
If in Eyes:	If this product comes in contact with the eyes. Wash out immediately with fresh running water. Ensure complete irrigation of the eye by keeping eyelids apart and away from eye and moving the eyelids by occasionally lifting the upper and lower lids. If pain persists or recurs seek medical attention. Removal of contact lenses after an eye injury should only be undertaken by skilled personnel.
If on Skin:	If skin contact occurs. Immediately remove all contaminated clothing, including footwear. Flush skin and hair with running water (and soap if available). Seek medical attention in event of irritation.
If Inhaled:	If fumes or combustion products are inhaled remove from contaminated area. Other measures are usually unnecessary.

STORAGE AND SEGREGATION SUMMARY

Storage: Keep out of reach of children. Store in plastic container as supplied/recommended by manufacturer. Check all containers are clearly labelled and free from leaks. Avoid reaction with oxidising agents. Store in original containers. Keep containers securely sealed. No smoking, naked lights or ignition sources. Store in a cool, dry and well-ventilated area. Store away from incompatible materials and foodstuff containers. Protect containers against physical damage and check regularly for leaks. Observe manufacturer's storing and handling recommendations

Aggregate Storage Volume Thresholds: When storing products of the same hazard the aggregate quantity must be considered. For full details refer to the current NZS8409 Management of Chemicals and the HSNO Regulations.
