

MaxCare
GROWING STRONGER EVERY DAY

Calf Milk Replacer

ULTIMATE

28% PROTEIN

22% FAT

**HIGHEST QUALITY
EASY TO MIX
EXCELLENT CURD**

MaxCare ULTIMATE has been formulated to help you achieve the best possible results with your calves. MaxCare ULTIMATE delivers high nutrient density coupled with a comprehensive additive package to help your calves achieve maximum growth rates, enhance animal health and overall calf performance. With MaxCare ULTIMATE you will be giving your calves the best.

MaxCare® ULTIMATE Contains:

- **Bovatec®** - Bovatec® has been shown to control the clinical signs of coccidiosis.
- **Betaine** - Aids in the hydration of your calves while also improving digestion and disease resistance for optimum health, growth and productivity.
- **Probiotics** - A high concentration of bacteria to increase competition against pathogens and enhance microbial populations to aid digestion and promote calf health.
- **Acidifiers** - To promote digestion, optimise nutrition and prevent pathogenic bacteria, resulting in improved animal health and growth rates.
- **Amino Acids** - These specific amino acids deliver balanced essential protein for maximum feed efficiency and growth.
- **Vitamins & Minerals** - Specifically formulated to ensure optimum calf requirements are met to maximise growth, development and health of your calves.

Vitamin B2	18 mg/kg	Iodine	0.5 mg/kg
Niacin (B3)	20 mg/kg	Selenium	0.30 mg/kg
Pantothenic (B5)	20 mg/kg	Copper	15 mg/kg
Pyridoxine (B6)	6.5 mg/kg	Antioxidant	5 mg/kg
Vitamin B12	0.08 mg/kg	Lasalocid (Bovatec®)	100 mg/kg

How to Prepare

Add MaxCare ULTIMATE CMR to half the required volume of fresh, clean water at 38 to 40°C. Mix until fully dissolved. Add water to required volume. Example, if mixing 1 litre.

500 mL of clean, fresh water

150g of CMR

Mix until dissolved

Add water to bring volume to 1L

MaxCare Feeding Guidelines

The minimum mixing rate to ensure MaxCare functions properly is 125g within a litre. Please visit our website (maxumanimal.com.au/maxcare-ultimate-cmr/) to view a full range of feeding guidelines for MaxCare Ultimate CMR. These guidelines are specifically tailored for:

- Group feeding systems
- Individual feeding systems
- Auto-feeder systems
- Fortified whole milk guidelines

CAUTION: Do not feed to dogs, horses (or other equids), alpacas (or other camelids).
Not to be used in Bobby Calves.
