Nufarm
LION®
HERBICIDE

**Active Ingredient: 360g/litre glyphosate
as the isopropylamine salt in the form of a soluble concentrate.**

**For weed control in agriculture, horticulture, drains,
aquatic areas, forestry and other uses including
general weed control. Recommended prior to sowing
pasture, crops and for the control of a wide range
of brushweeds.**

Net: 20L

03-17/PS/A00452-20L.NZ1.2

Grow a better tomorrow.

HAZARD CLASSIFICATION

6.1D, 6.4A, 9.1B

APPROVED HANDLER

This product must be under the control of an approved handler when it is applied directly into or over water.

This product must not be used for any purpose, or in any manner, contrary to this label unless authorised under appropriate legislation.

TOXICITY

- Harmful – may be harmful if swallowed, inhaled or absorbed through the skin. May cause eye irritation.

ECOTOXIC

- Toxic to aquatic organisms with long-lasting effects. Avoid contamination of any water supply with product or empty container.
- Non selective herbicide – very toxic to some plant species.

Beware: Spray drift hazard. Apply this product carefully. Spray drift may cause serious damage to other desirable plants.

HANDLING PRECAUTIONS**STORAGE**

- Store in original container tightly closed and in a locked, dry, cool area away from foodstuffs, seeds, pesticides and fertilizers. Store in accordance with NZS 8409 Management of Agrichemicals.
- Spray solutions of Lion Herbicide should be mixed, stored and applied only in stainless steel, aluminium, brass, copper, fibreglass, plastic or plastic lined containers. Do not mix or store this product in galvanised or unlined steel (except stainless steel) containers or spray tanks. Lion Herbicide or spray solutions of Lion Herbicide react with such containers to produce hydrogen gas which may form a highly combustible gas mixture which can flash or explode if ignited.
- Stores containing 1000 litres of Lion Herbicide require secondary containment and signage, and more than 1000 litres require emergency response plans.

PERSONAL PROTECTION

- Avoid contact with skin and eyes and avoid breathing spray mist. Do not eat, drink or smoke while using.
- When handling wear eye protection, waterproof gloves, boots and overalls. Do not eat, drink or smoke while using. Remove protective clothing and wash hands and face thoroughly before meals and after work.

EQUIPMENT

- Apply using well maintained and accurately calibrated spray equipment.
- Flush equipment thoroughly with clean water after use.

DISPOSAL

- Triple rinse container and add rinsate to spray tank. Recycle empty container. Otherwise crush and bury in an approved landfill.
- Dispose of product only by using according to the label or at an approved landfill.

Spillage: Wear appropriate protective clothing and prevent material from entering waterways. Absorb spills with inert material and place in waste containers. Wash area with water and absorb with further inert material. Dispose of waste safely in an approved landfill.

CONDITIONS OF SALE:**CAUTION: READ THIS NOTICE BEFORE OPENING THE CONTAINER**

If you open this container you will be deemed to have accepted the conditions below.

The results from use of this product may be affected by factors beyond Nufarm's control, including mixing, use, climatic conditions, time of application, crop or crop stage and the possible development of resistance to the active ingredient, even though the product is reasonably fit for the purposes stated in this label, and even though label directions are followed. Nufarm will replace, free of charge, any product which is found to have a manufacturing defect. To the extent permitted by law, all other warranties, guarantees, representations and conditions, whether expressed or implied by law, trade, custom or otherwise are expressly excluded.

When you use this product, you agree that neither Nufarm Limited nor any manufacturer of any component of the product will be liable for any damage, injury or loss including consequential loss which arises in any way from the storage, handling, or use of the product. This exclusion of liability includes loss caused by negligent acts or omissions of Nufarm Limited or any supplier or manufacturer of the product or any of their employees and agents.
