D-C-TRON[®] PLUS

A PREMIUM QUALITY HORTICULTURAL MINERAL OIL

ACTIVE CONSTITUENT: 776 g/L PARAFFINIC OIL

An emulsifiable, narrow range, spray oil for the control of various pests of citrus, bananas, and other crops as specified in the Directions for Use table.

Also for use in combination with other pesticides as specified in the Directions for Use table.

STORAGE AND DISPOSAL:

Store in the original container, tightly closed in a safe well-ventilated area, as cool as possible. Do not store for prolonged periods in direct sunlight. This container can be recycled if it is clean, dry, free of visible residues and has the *drumMUSTER* logo visible.

Triple rinse container for disposal. Dispose of rinsate by adding it to the spray tank. DO NOT dispose of undiluted chemical on site. Wash outside of the container and the cap. Store cleaned container in a sheltered place with cap removed. It will then be acceptable for recycling at any *drumMUSTER* collection point or similar container management program site. The cap should not be replaced but may be taken separately.

If not recycling, break, crush, or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available, bury the empty packaging 500mm below the surface in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots, in compliance with relevant Local, State or Territory government regulations. Do not burn empty containers and product.

SAFETY DATA SHEET

Additional information is listed in the Safety Data Sheet which is available from the supplier.

SAFETY DIRECTIONS

Will irritate the eyes and may irritate the skin. Avoid contact with eyes and skin. When opening the container and preparing spray wear elbow-length PVC gloves and face shield or goggles. If product gets in eyes, wash it out immediately with water. Wash hands after use. After each day's use wash gloves and face shield or goggles.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre (Phone Australia: 131126). If swallowed do NOT induce vomiting. Give a glass of water. Additional information is given in the Safety Data Sheet.
